13th International Conference on
Mobile & Wireless Networks (MoWiN 2024)

January 20 ~ 21, 2024, Zurich, Switzerland

Call for Participation

We invite you to join us in **13th International Conference on Mobile & Wireless Networks (MoWiN 2024) .**This Conference is dedicated to address the challenges in the areas of wireless & mobile networks. The conference looks for significant contributions to the Wireless & Mobile computing in theoretical and practical aspects. The Wireless & Mobile computing domain emerges from the integration among personal computing, networks, communication technologies, cellular technology and the Internet Technology. The modern applications are emerging in the area of mobile ad hoc networks and sensor networks. This conference is intended to cover contributions in both the design and analysis in the context of mobile, wireless, ad-hoc and sensor networks. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on advanced wireless & Mobile computing concepts and establishing new collaborations in these areas.

Highlights of   MOWIN 2024 include:

- 11th International Conference on Artificial Intelligence and Applications (AIAP 2024)
- 11th International Conference on Data Mining and Database (DMDB 2024)
- 5th International Conference on Natural Language Processing, Information Retrieval and AI (NIAI 2024)
- 11th International Conference on Bioinformatics and Bioscience (ICBB 2024)
- 13th International Conference on Information Theory (IT 2024)
- 17th International Conference on Network Security & Applications (CNSA 2024)
- 5th International Conference on Cloud and Internet of Things (ICCIoT 2024)
- 14th International Conference on Computer Science, Engineering and Information Technology (CCSEIT 2024)
